

Celebrate Earth Day!

Fun ideas you can do today and every day of the year.

Take a walk with your family and pick up trash and recyclables

Make a pinecone bird feeder

Make a nature collage with 5 different items you find outside

How many different bugs can you find outside?

Make a tree bark rubbing with crayon

Things You Should Always Do:

Turn off the lights when you leave a room

Reduce, Reuse and Recycle!

Turn off the water when you brush your teeth
